

CONSIDERING GARDEN VILLAGE?

Centrally located in Port Macquarie on the NSW Mid North Coast, Garden Village is a leading Retirement Living and Aged Care Community.

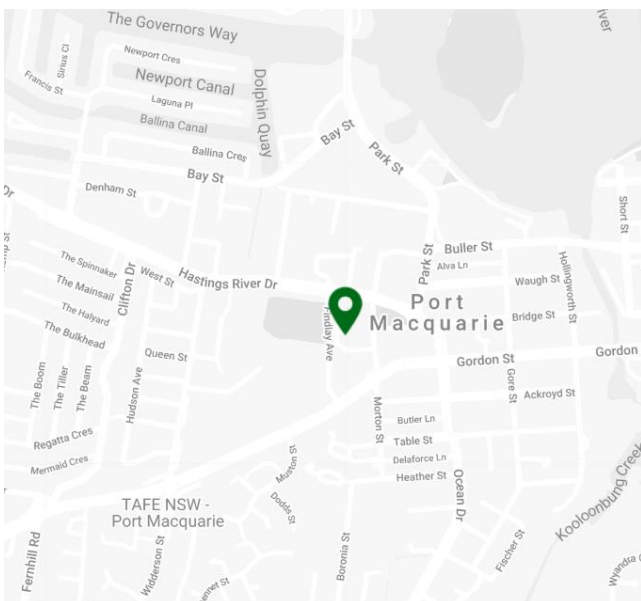

Residents at Garden Village can live comfortably and with confidence knowing they are supported when and how they need it by a dedicated team of staff, including Registered Nurses on site 24/7.

One, two and three bedroom units and apartments make up the 219 retirement living dwellings with a 142 bed aged care home on site across three dedicated facilities.

Garden Village is a premium provider of retirement living and aged care with over 40 years of experience as a not-for-profit charitable organisation serving the Port Macquarie and Mid North Coast community.
